Estimated Value Excluding Any Taxes: Center diamond: \$10,200.00; Semi mounting: \$5,500.00; Total: \$15,700.00

The values set forth herein are an estimate of the current market price at which the appraised jewelry may be purchased in a retail jewelry store and do not necessarily reflect the price at which the appraised or similar jewelry may be purchased from this firm. Because jewelry appraisal and evaluation is not a pure science and is therefore subjective, estimates of replacement value may vary significantly from one appraisal to another and such a variance does not necessarily constitute error on the part of the appraiser. This appraisal should not be used as the basis for the purchase or sale of the item set forth herein, and is provided solely as an estimate of approximate replacement values of said items at this time and place. Accordingly, we assume no liability with respect to any legal action that may be taken as a result of the information contained in this appraisal.
